

CULTURAL FUNDING OPPORTUNITIES

SUPPORT FOR CULTURAL DEVELOPMENT IN SASKATCHEWAN

CULTURAL ACTIVITIES START WITH GREAT IDEAS!

Cultural activities are important to the quality of life of Saskatchewan people. Some cultural activities start at the local level as a means to bring community members together, and others grow into annual activities, such as music festivals, debate tournaments, theatre or dance classes, or arts and craft exhibitions, or sharing places, such as museums, archaeological sites, or libraries, which engage a wide range of interests.

Thanks to funding from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation, non-profit cultural organizations, communities and individuals have access to a range of funds that address different areas of cultural development. SaskCulture, its partners and its member organizations offer a range of funding programs that serve different areas of cultural development. If you have an idea and are looking for funding support, check out the following programs.

This funding list was compiled September 2014.
