The budget should include all revenue and expenses related to your project including grant requests to other funding programs or agencies.

Expenses claimed must be to support eligible activity proposed in the application.

All project income and expenses should be included in budget form and the budget should balance (revenue = expenses).

The budget tool is for project costs. Regular organizational operating expenses, staff wages and contributions of volunteer time should not be identified as revenue or expenses in the budget. These costs are ineligible for the program. Do not use them in the budget to calculate the 70% funding maximum for a project.

In-Kind Contributions: The value of donations of goods and services do not substitute for eligible expenses and should not be included in the budget. Contributions and non-monetary support for a project can be described in proposal as evidence of community support and partnerships.

Funding Levels

The MIF Project grant covers expenses up to 70% of the total eligible project cost. The maximum request amount is \$10,000.00. The amount the applicant is contributing must be explained in the budget section and must cover eligible expenses for the project. Amounts requested will be reduced if the applicant does not meet the minimum required contribution amounts.

Example:

MIF Project Grant Request	Minimum Applicant Contribution	Total Minimum Eligible Project Expense
\$10,000.00	\$ 4,285	\$ 14,285
\$8,000.00	\$ 3,428	\$ 11,428

Application Process

Applications are due September 30th and March 31st each year. As of the October 2015, SaskCulture has moved to an online application process. **Late applications will not be considered for funding.**

Organizations are encouraged to consult with SaskCulture prior to submitting an application. SaskCulture will review applications to confirm basic eligibility requirements have been met.

Eligible applications are adjudicated by a volunteer jury with cultural expertise representing the northern, central and southern regions of Saskatchewan. Applicants are informed of results within eight (8) weeks of the application deadline.

Successful applicants receive 75% of their total grant allocation upon grant approval and the remaining 25% upon SaskCulture's acceptance of a properly filed follow-up report.
