

Multicultural Initiatives Fund – Project Funding

Application deadlines: March 31, September 30

**As March 31, 2019 is a Sunday, the deadline has been extended until Monday, April 1, 2019.*

SaskCulture Inc.'s Multicultural Initiatives Fund (MIF) aims to advance multiculturalism in Saskatchewan by supporting projects encouraging people in Saskatchewan to share, learn, appreciate, respect and accept cultural diversity.

Purpose

The Multicultural Initiatives Fund (MIF) aims to advance the course of culture in Saskatchewan by providing funds to organizations in areas not typically funded by conventional support systems.

The MIF-Project grant provides funding to community-based organizations supporting ethno-cultural, multicultural, First Nations and Métis initiatives, projects and activities.

Organizations should consider if their project falls within one or more of the following streams before applying:

- **Cultural Retention** supports organizations passing on cultural practices and traditions within a particular cultural community.
- **Celebration of Diversity** includes education and festivals that showcase differences and similarities, most often through performance, cuisine and other arts. It includes an awareness that groups that include many perspectives, especially from different cultural world views, lead to greater creativity and innovation.
- **Anti-Racism** work looks at issues of power and privilege and how they impact individual and systemic discrimination; it usually includes active dialogue to build equity and justice in our institutions and communities.
- **Intercultural Connections** entails different cultural and indigenous groups coming together over time to build bridges i.e. exchanges, cooperative work, creating safe spaces, dialogue, creative projects, etc.
- **Integration** supports welcoming and inclusive communities that create a sense of home and belonging. We recognize the creativity and innovation that arise from bringing different cultural perspectives together and cultivating the unique contributions of all.

Eligible Expenses

Organizations that are not ethno-cultural, multicultural, First Nations or Métis, and that are applying for support for a festival or performance, must provide details of the multicultural, First Nations or Métis performers and will be provided funding only for their artistic fees.

For MIF Project grants, all expenses must fall within the indicated start and end date of the grant. Expenses incurred before or after the grant period will not be eligible.

Ineligible Expenses

Expenses claimed must be to support eligible activity proposed in the application.

All project income and expenses should be included in budget form and the budget should balance (revenue = expenses).

The budget tool is for project costs. Regular organizational operating expenses, staff wages and contributions of volunteer time should not be identified as revenue or expenses in the budget. These costs are ineligible for the program.

***In-Kind Contributions:* The value of donations of goods and services do not substitute for eligible expenses and should not be included in the budget. Contributions and non-monetary support for a project can be described in proposal as evidence of community support and partnerships.**

Funding Levels

The MIF Project grant is a flexible project grant tailored to support a variety of project sizes and community needs throughout the province. Small projects and community groups can request up to \$5,000 to support a cultural initiative without any requirement of matching this amount with other funding sources. However, larger requests will require greater commitment of support from the applicant organization and/or other funding sources.

For request amounts between \$5,001 - \$10,000, MIF Project will cover 70% of eligible costs and the applicant is required to contribute the additional 30% towards eligible costs. The amount the applicant is contributing must be explained in the budget section and must cover eligible expenses for the project. Amounts requested will be reduced if the applicant does not meet the minimum required contribution amounts.

Please refer to the following table to help you determine what stream of funding you are eligible for and what contributions may be required from funding sources other than MIF Project.

Stream	MIF Project Grant Request \$	Maximum MIF Project contribution towards eligible expenses	Minimum applicant contribution towards the total eligible project cost	For projects with total eligible expenses ranging in the following:
1	5,000 or less	100%	0%	5,000 or less
2	5,001 - 10,000	70%	30%	5,001 – 10,000+

For example:

MIF Project Grant Request	Minimum Applicant Contribution	Total Minimum Eligible Project Expense
\$10,000.00	\$ 4,285	\$ 14,285
\$8,000.00	\$ 3,428	\$ 11,428
\$6,000.00	\$ 2,571	\$ 8,571
\$5,000	\$ 0	\$ 5,000
\$2,000.00	\$ 0	\$ 2,000

Application Process

Applications are due September 30th and March 31st each year. Because March 31, 2019 falls on a Sunday, the deadline is extended to Monday, April 1, 2019.

SaskCulture now has an online application process. **Late applications will not be considered for funding.**

Organizations are encouraged to consult with SaskCulture prior to submitting an application. SaskCulture will review applications to confirm basic eligibility requirements have been met.

Eligible applications are adjudicated by volunteer peer assessors with cultural expertise representing the northern, central and southern regions of Saskatchewan. Applicants are informed of results approximately eight (8) weeks after the application deadline.

Funding decisions are final and will not be revisited or appealed.

Successful applicants receive 75% of their total grant allocation upon grant approval and the remaining 25% upon SaskCulture's acceptance of a properly filed follow-up report.

Only complete, signed and submitted applications will be considered. It is the responsibility of the applicant to ensure that their application was successfully submitted.

Application Assessment

The funding assessors will review applications based on the following criteria:

- Extent to which the project addresses one or more of the outlined streams of MIF-Project;
- Quality and merit of proposed activity;
- Realistic and responsible use of resources (funds, volunteers, etc.);
- Uniqueness of activity: it does not duplicate existing programs and services offered within the same jurisdiction;
- Evidence of the ability of organization to carry out project and deliver quality programs and services;
- Extent of participation and access for target populations (First Nations, Métis, and youth);
- Extent of resourcefulness, collaboration and partnerships;
- Potential for ongoing impact and legacy; and
- Extent of support and involvement from your community.

Funding Obligations

Funds may only be used for the eligible activities outlined in your application. Significant changes to the use of funds must be approved by SaskCulture. Funds may not be transferred to other activities or organizations and unused funds must be returned to SaskCulture.

Successful applicants will be required to submit a **follow-up report (FUR)** within 45 days of the completion of the project. This report must detail the activities of the project and indicate how it met the goals of the MIF Project program.

Applicants are required to retain all supporting receipts. Applicants to SaskCulture that are awarded a grant for the first time will be required to submit receipts. Other applicants will only submit receipts if requested to do so by the Program Consultant. Failure to do so may affect the approved amount. Please see the Funding Level Chart.

If the applicant is approved for funding, the FUR is immediately available **online** and should be referred to at the beginning of the project as statistical information will need to be gathered during the project. The applicant may want to use the budget tool regularly as a project management tool. Funds from MIF Project must be used within 12 months of the project's start date.

Groups receiving grants must promote SaskCulture and Saskatchewan Lotteries as supporters of their activities. Logos and promotional materials are available to successful applicants.

Failure to meet the above funding obligations to the satisfaction of SaskCulture will be grounds to withhold the final payment and will restrict access to future funding.
