

CULTURE DAYS FUNDING ASSISTANCE

Application deadline: April 17, 2017

Culture Days is a collaborative, pan-Canadian movement designed to raise awareness, accessibility, participation and engagement of all Canadians in the arts and cultural life of their communities. Nationwide Culture Days celebrations will take place **September 29, 30 & October 1, 2017**. SaskCulture is pleased to offer Culture Days Funding Assistance in support of Culture Days initiatives throughout Saskatchewan. **In 2017 only**, SaskCulture encourages applicant organizations to incorporate Canada 150 themes into their projects this year.

SaskCulture also encourages organizations to incorporate with First Nations and Métis educational activities that have a focus on implementing the Truth and Reconciliation Commission's Calls to Action or other reconciliation efforts. The TRC Calls to Action can be found at:

http://www.trc.ca/websites/trcinstitution/File/2015/Findings/Calls_to_Action_English2.pdf.

Objectives

Culture Days Funding Assistance is designed to support Culture Days initiatives (activities, events and projects) that engage public participation and inspire future involvement in the cultural life of Saskatchewan communities.

Culture Days Funding Assistance supports:

- activities that will encourage and inspire people to try something new and become a regular participant in cultural activities;
- the hiring of Saskatchewan artists and cultural workers who will engage new audiences and share their skills and talents;
- a wide range of interactive and diverse cultural activities in communities across the province during Culture Days.

Significant priority will be given to projects that:

- provide excellent opportunities for **hands-on, interactive cultural experiences** for participants, as opposed to activities that are more passive in nature;
- are engaging and accessible – Culture Days activities are to be free to the public;
- Projects and organizations not already funded significantly by other Lottery-supported grant programs
- contribute significantly to community involvement and/or engagement.

However, up to 25% of the grant may be used if these costs can be directly attributed to the cultural activity (e.g. the cultural activity is specifically focused on the cultural significance and mentorship aspects associated with traditional food preparation, instruction, gathering and so on).
- Activity that exclusively promotes definable religious or political viewpoints is not eligible.
- Contributions of volunteer hours are not an eligible budget expense.
- Allowances, wages or personal expenses for registrants and participants are not eligible.

Budget Notes

The budget should include all revenue and expenses related to your project including grant requests to other funding programs or agencies.

Expenses claimed must be to support eligible activity proposed in the application.

All project income and expenses should be included in budget form and the budget should balance (revenue = expenses).

The budget tool is for project costs. Regular organizational operating expenses, staff wages and contributions of volunteer time should not be identified as revenue or expenses in the budget. These costs are not eligible for the program. Do not use them in the budget.

In-Kind Contributions: The value of donations of goods and services do not substitute for eligible expenses and should not be included in the budget. Contributions and non-monetary support for a project can be described in proposal as evidence of community support and partnerships.

The application budget tool is also used in the Follow-Up Report for this grant. This will be available online for you to use throughout your project.

Application Process

Applications are due April 17, 2017. If the deadline falls on a weekend or statutory holiday, the deadline becomes the next business day. As of the 2016 deadline, SaskCulture has moved to an online application process. **Late applications will not be considered for funding.**

Organizations are encouraged to consult with SaskCulture prior to submitting an application. SaskCulture will review applications to confirm basic eligibility requirements have been met.

Eligible applications are adjudicated by a volunteer jury and applicants are informed of results within twelve (12) weeks of the application deadline.

Funding decisions are final and will not be revisited or appealed.

Successful applicants will receive 100% of their total grant allocation upon grant approval. Properly completed follow-up reports must be received by SaskCulture prior to **November 15, 2017.**

Application Assessment

The funding adjudicators will assess applications based on the following criteria:

- Extent to which the project addresses the objectives of Culture Days Funding Assistance;
- Quality of proposed activity, especially as it pertains to the capacity to be **interactive**;
- Credibility of the application and capacity of the organization(s) or artist(s) to deliver the project;
- Realistic and responsible use of resources (funds, volunteers, etc.);
- Extent of participation, access and engagement for the public;

- Extent of resourcefulness, collaboration and partnerships, especially for hub applications;
- Extent of the activity to actively support increased cultural engagement beyond Culture Days; and/or
- Extent of support and involvement from the community.

Funding Obligations

Funds may only be used for **the eligible activities** outlined in your application. Significant changes to the use of funds must be approved by SaskCulture. Funds may not be transferred to other activities or organizations and unused funds must be returned to SaskCulture.

Funded activities **MUST BE REGISTERED** on the Culture Days web site, www.culturedays.ca . **Failure to do so will result in the grant being determined to be in default of the guidelines.**

Successful applicants will be required to submit a follow-up report by **November 15, 2017**. This report must detail the activities of the project and indicate how it met the goals of the Culture Days Funding Assistance program.

You are required to retain all supporting receipts. You will only submit receipts if requested to do so by the Program Consultant. Failure to do so may affect your approved amount. Please keep the receipts for all expenses covered by CDFA and the applicant's contribution. Please see the Funding Level Chart.

If the applicant is approved for funding, the follow-up form will be available online and should be referred to throughout the project as statistical information will need to be gathered. The applicant may want to use the budget tool regularly as a budget management tool.

Grant recipients must promote SaskCulture and Saskatchewan Lotteries as supporters of their activities. Logos and promotional materials are available to successful applicants.

Failure to meet the above funding obligations to the satisfaction of SaskCulture will be grounds to withhold the final payment, request a return of grant funds already issued and/or will restrict access to future funding.
