

Virtual Council Meeting – Opening Words

This meeting is being held electronically in accordance with section 238 subsection 3.3 of the Municipal Act and section 16.6.24 of the City of Woodstock Procedure by-law.

This meeting is being livestreamed to the City's YouTube channel and on Rogers TV. A recording of the meeting will also be posted on the City's website following the meeting.

An agenda of the meeting can be found on the Agendas, Meetings and Minutes page of the City's website or by clicking the link provided in the description section of the livestream on YouTube.

Councillors will be raising their hands in view of their webcam when moving a motion, requesting to speak, and when a vote is being taken.

If a member of Council is disconnected or having technical difficulties, we will take a recess in order to attempt to rectify the issue. If technical difficulties exist that prevent the meeting from continuing, the meeting will be adjourned and reconvened at a later time.

(Councillor Talbot has the resolutions)
